MARKETING**

WE'RE HIRING

ABOUT THE ROLE

As a student medical editorial writer, you'll help transform complex medical information into clear, engaging, and accurate content for a range of healthcare and pharmaceutical audiences. These articles will be converted into videos which will appear on our monthly newsletter.

Each submitted article will be assessed by our editorial team and if published we will pay £50 per article.

WHAT WE'RE LOOKING FOR..

Current student in Medicine, Biomedical Sciences, Pharmacy, or a related field.

Ability to simplify complex scientific concepts
Interest in medical communications, marketing, or digital health.
